

Membership form for the Iranian Carbonate Network “ICN”
Submit the form and you CV to [Ali A. Taghavi](#)

Last Name:Ostadhassan	Photo (optional)
First Name:Mehdi	
Birth Date:2 Aug 1983	
Address: Khosro Jonobi St,Sattar Khan Ave,Tehran –Iran Tehran Faculty of Petroleum-Petroleum University of Technolog	
Tel/Mobile (optional):00989354285422	
E-mail:m_ostadhassan@yahoo.com	
Profession: Ms Student	
Company/University: Petroleum University of Technology(Petroleum Exploration Engineering),IFP-School(Petroleum Geosciences-Geophysics)	
Homepage:	
Summary of Expertise: I have papers on prospect Exploration risk assessment Rock salt Rheological behavior Uncertainty analysis Basin Analysis and Economics Incompetent cap rocks geophysical behavior and seismic processing	
Interests: Risk assessment-Economics-Reservoir Management-International Contracts-Seismic interpretation & Processing	
Publications to be put in website: Some of publications are listed below: <ul style="list-style-type: none"> • Tamimi, N., Ostadhassan, M., <i>An integrated procedure for velocity analysis by using sedimentological and rock physics data in complex structures of incompetent and plastic formations</i>, SRW 2008, Galway, Ireland (Submitted) • Tamimi, N., Ostadhassan, M., Abdolahie Fard, I., Sokooti, M.R., <i>New Approach to the Role of Geophysical Properties and Challenges of Deformed Overlying Incompetent and Plastic Formations on Exploration Risk of New Prospects</i>, IPTC 2008, Kula Lumpur, Malaysia (Submitted) • Tamimi, N., Ostadhassan, M., <i>Consistent Lateral Velocity Model to Improve Reserve Estimation and Uncertainty Assessment</i>, ATCE 2008, Denver, Colorado (Submitted) • Ostadhassan, M., Tamimi, N., Nasrabadi, M., <i>Seismic Amplitude in Petroleum Prospect Risk Analysis</i>, Exploration and Production (Ekteshaf-Tolid) Magazine (National Iranian Oil Company Technical Journal), in Persian (in press)
